

Post Enduro Association (PEA) is a family oriented non profit off-road motorcycle and 4 wheeler club. We lease property around the Quitaque community for the purpose of riding and camping. We also promote and encourage the sport of off-road motorcycling riding through the growth of membership in addition to conducting an annual enduro event sanctioned by both the [TSCEC](#) and [RMEC](#). You may have heard of it. It's called the Caprock Canyon Enduro.

Memberships and the enduro provide the funds necessary to lease the land we can access throughout the year. We also provide a camping area whereby RV's can remain on site year round, if necessary. Electricity and water are available within our designated camping area.

The PEA is governed by a set of Bylaws, Board of Directors and Club Officers. We conduct monthly meetings for the purpose of conducting club business and general club fellowship. The club's sole purpose is to participate in and provide a safe and fun place for our members to enjoy the great outdoors while on top of a dirt bike or 4 wheeler.

The city of Quitaque, Texas is a loyal and dear friend to the PEA. They help us in countless ways by supporting our competitive events and helping resolve logistic issues. Not to mention they have a couple of great restaurants, grocery store, hardware store, churches, gasoline, propane, etc. Best of all, they're located within 5 miles of our camp.

Feel free to check out the remaining websites for pictures, maps and other information.
